

Math 324: Linear Algebra and Matrix Theory  
Syllabus Reading Worksheet  
Due by Feb 5 at 4pm.

Name: \_\_\_\_\_

Use the syllabus to answer the following questions about the course. The only way to submit this is to bring it to Dr. West's office, HHH 524. If she is not there slide it under the door. If she is there, take some candy from the bowls on the desk and say "hi."

1. Who is allowed to answer a question during class?
2. What two of the course specific learning outcomes sound most interesting to you?
3. What types of homework will there be?
4. When is each type of homework due?
5. How many quizzes will there be?
6. When is the second midterm exam?
7. If you have an excused reason to miss a quiz or an exam what is the deadline for informing Dr. West?
8. What is the phone number for UWEC Counseling Services?
9. Can you use a calculator?
10. Is it ok to search the internet for homework answers?
